What is a Fun Run?

The Fun Run is our school largest fundraiser in which families, friends, and neighbors pledge money to support the students as they participate in the Fun Run. Each lap is tallied as students jog (or walk, skip, run, etc.) during a set time period. All students will participate as a part of their regular specials schedule.

Why are we having a Fun Run?

Our PTA provides many fantastic activities and resources for our students like iPads, ChromeBooks, playground equipment, field trips, curriculum nights, and more! In order to continue providing these programs, our goal is to raise at least **\$15,000**. If every child raises \$50, we can reach our goal and more! ANY donation is welcome! ALL of the money raised will go directly into PTA-sponsored programs that enrich our students' experiences.

How do we raise money?

In the next few weeks, each student can obtain pledges in support of their Fun Run efforts. Pledges can be made as a flat donation, or on a per lap basis. Please help your child collect pledges through your child's webpage, or on the pledge form. You can email family members, friends, co-workers, etc. for support right from the webpage. Posting on social media is another great option!

No time to ask for pledges?

You can make a donation instead! Please keep in mind that we can meet our school goal if each child raises \$50.
